2. *The Minister of Municipal Affairs, on the recommendation of the Commission municipale du Québec, is authorized to approve any by-law enacted by a municipal corporation for the carrying out of winter works.*

4. *If the works carried out by the municipal corporation are otherwise subsidized, the amount provided for in paragraph b of section 3 shall not exceed the difference between the whole cost of the works and the total of all other subsidies.*

R. S. 1964, c. 178, s. 4.

5. *The sums payable by the Government under this act shall be taken out of the consolidated revenue fund up to the amount of the subsidy received from the Government of Canada and the balance shall be paid out of the moneys voted for such purpose by the Legislature.*

Notwithstanding section 58 of the Financial Administration Act (chapter A-6), the balance of the appropriation voted for the purposes of this act and unexpended at the close of any fiscal year shall remain available until the ensuing thirtieth of September.
