

**Table of impairments  
resulting from an anatomic  
loss in the hand**

(1) Value of each of the  
phalanges when a  
finger is partially  
or totally amputated.

(2) Value of each of the phalanges when  
2 or 3 fingers are partially  
or totally amputated.

(3) Value of each of the  
phalanges when 4 fingers are  
partially or totally amputated.
